CAP CORSE'S PLANTS RICHNESS

The cosmetic range by Intimu© is the result of a 100% corsican production made with aromatic plants. Handpicked, distilled, then processed following an ancestral recipe to reveal their deepest nature.

Organic essential oils with a highgrade of purity & quality, made with passion and patience, on the height of Erbalunga, just near our second Hotel, Castel Brando. Our collaboration with Intimu© comes from a common philosophy to highlight the local natural richness.

Caroline, our qualified Wellness practitioners, welcome you to our Spa located on the roof terrace of the hotel, to provide you with well-being and beauty treatments, with the "INTIMU" range:
